

KEMP MILL CIVIC ASSOCIATION

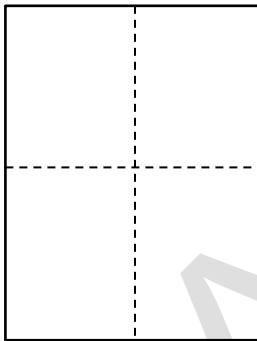

ELECTION MEETING -- SEPTEMBER 6, 2017

SAMPLE BALLOT – TWO PARTS

The names of all candidates nominated, in accordance with the Bylaws, prior to the Meeting are printed on this ballot. Blank lines are provided for all offices in the event that any nominations are made at the Meeting. Names written on the blank lines for any office will be valid only if the named person has been properly nominated at the Meeting.

Voters shall indicate their choice(s) for each office by marking the box adjacent to the printed name or adjacent to a line with written entry. Note that entering even a valid written name will not be considered a vote for the named candidate unless the adjacent box is also marked. For any office, leaving all boxes unmarked or marking more than the proper number of boxes will result in no vote for that office.

When you have finished voting each part of the ballot, please fold it no more than two times:

Tellers will collect the completed parts of the ballots at the appropriate time.

If both parts are collected together, you may fold both parts of one – and only one – ballot together.

Any collected ballot that has two of the same part folded together will be declared fraudulent or invalid, in accordance with Roberts Rules of Order

Thank you for participating in the KMCA election.
