- 7:30 pm: **Administrative Matters**
  - Call to order
  - Adoption of agenda/previous minutes: Posted online at https://www.kempmillcivic.org/meetings/
  - Treasurer's report: Balance of funds and membership numbers

- 7:35 pm: **Lamberton Drive Safety Improvements**
  - At the previous request of KMCA, the Montgomery County Department of Transportation has proposed safety improvements for Lamberton intersections that have historically had high numbers of car accidents.
  - The proposed changes can be found here: https://www.montgomerycountymd.gov/DOT-Traffic/ISIProjects/LambertonDrive.html
  - MCDOT came to KMCA's summer meeting to discuss these plans, and has refined them since in response to our feedback. Despite a statement on the website asking for feedback before December 1, MCDOT has confirmed that they are continuing to consider feedback from our community. (We have asked them to remove the Dec. 1 language from their site.)
  - The proposed changes would:
    - Add crosswalks at N Belgrade and Fulham where these streets intersect Lamberton.
    - Updates pavement markings, including on outdated crosswalks across Lamberton Drive.
    - Update signage
    - Add "bump outs" at intersections to improve sight lines for drivers and pedestrians by preventing illegal parking.
  - We will be debating/voting on a proposed motion stating "KMCA supports the Lamberton Drive Traffic Safety Improvements proposed by MCDOT." A formal request from our civic association will help MCDOT approve and fund this proposal from amongst the competing safety proposals across the County.

- 8:00 pm: **Budget**
  - Treasurer **Anna Waller** will present a proposed KMCA budget for 2026.

- 8:15 pm: **Eagle Scout Project**
  - Eagle Scout candidate **Jeff Griffin** and his team of volunteers have built 50 birdhouse/birdfeeders that they will distribute free of charge to members of the community.
  - He will also speak briefly about the importance of the different bird species that can be found in Kemp Mill.
